L'Avian Plus™

L'PRO™ BREEDER PROGRAM

Breeders receive free L'Avian Plus™ product with proof of purchase. Send in UPC codes (bar codes) as proof of purchase from packages (15 lbs. or larger) and receive 2 FREE BAGS for each 10 bags of like product purchased.

No cost to sign up. No obligation. No dues or fees. All information is confidential.

What does it cost to join?

Nothing. There is no cost to qualified breeders.

I would prefer to turn my proof of purchase UPC codes in to my local supplier instead of mailing them to D & D. Is that okay?

Yes, but you must still complete the registration form and mail it to D & D.

What products are included?

All L'Avian Plus™ products in package sizes of 15 lbs. or larger.

Will the information on the registration card be used for other purposes?

NO. The information included on the card will be used only by D & D Commodities Ltd. This information is strictly confidential and will not be sold, given or used in any other manner or shared with any other person or company.

Does this program expire?

Unless the L'Pro Program is terminated by D & D, there is no expiration date.

How do I receive free product?

When D & D receives 10 proof-of-purchase seals (UPC codes) from like products, you will receive 1 voucher by Return mail good for 2 FREE bags of the same product and size, which may be redeemed at a participating retailer.

Can I redeem vouchers at any retail location?

No, only at participating retail locations.

May I send in multiple proof-of-purchase seals for different products?

Yes, but you must have 10 each of the same product and size to receive the free product voucher.

TERMS AND CONDITIONS

- L'Pro Professional Breeder Program applies only to L'Avian Plus™ products.
- Professional Breeders must complete this form and mail it to D & D Commodities Ltd. with proper proof-of-purchase seals (complete UPC/bar codes).
- Proof-of-purchase seals turned in to participating retailers will be honored, providing that the breeder name and address are included.
- Retail dealers that sell pets do not qualify as a professional breeder unless the retailer maintains an off-site breeding facility. The off-site breeding facility must then be registered.
- Any sales tax due on free products is the sole responsibility of the consumer.
- Program is void where prohibited or taxed.
- Any use of this program other than as intended constitutes fraud.
